Dates: 11.29.09

Series: NA

Text: Joshua 24:15

Synopsis: The people of Israel had forgotten the things that were important to God and sought fulfillment in other things, abandoning their God. Joshua challenges Israel to make a choice whether to re-align their priorities with God's priorities or not. But as far as Joshua, he chose to serve the Lord, saying "CHOOSE this day whom you will serve... as for me and my house, we shall serve the Lord..."

The choices we make will make us or break us.
