

Title: "Get Set"

Date: 10.18.09

Series: Matthew

Text: Matthew 25

Synopsis: What do servants, sheep and silly girls all have in common? Jesus used them all as examples of how his disciples were to get "Get Set" for his coming. Having just told his disciples (and us) to "Get Ready" for the difficult times that were ahead, he now tells them to "Get Set" into an alert and prepared posture. A posture suitable for the mission he was going to give the church in a few short days.

This mission is not for silly, unprepared people, or for those who don't value the things that are of value to God. Nor is it for those who are unloving or uncaring towards those for whom the mission was created. No, this mission is for those followers who care about the things that God cares about and who are vigilant, prepared and compassionate. This mission is for those who are willing to see it through to its completion no matter the cost. It's our mission. So Get Set!
